In regards to: The use of NMT

To Whom It May Concern:

My name is Matt Goltl, D.C. I have practiced chiropractic in the state of Kansas for eleven years and have taught a technique known as CPK (Chiropractic Plus Kinesiology) to doctors for six years.

I have been using NMT as taught by the use of the NMT seminar manual for ten months and have found that the system works as disclosed. I have found NMT useful in treating patients with conditions such as Allergies, Migraines, Menopause, Hormonal Imbalance, Parkinson's, Anxiety and Depression, Colds and Flus, and all forms of structural problems typically addressed by chiropractic care.

Thank you for your attention in this matter.

Sincerely,
